

## Organize This!

In the past few months, the MOC has definitely seen several members stepping in and helping organize or co-organize events for the benefit of other members. Without the help from these folks, it would be very difficult for just one or two people to run a club for 450 members. In the past, members have organized coffee/music house events, biking excursions, social gatherings including dinner and shooting pool, free BBQs, hikes out-of-town, and more.

The club is definitely growing, and because of that, we need any members willing to put something together to contact us with an event idea that they would like to plan. We have a ton of event ideas on our site: [www.marylandoutdoorclub.org/events/ideas.asp](http://www.marylandoutdoorclub.org/events/ideas.asp)

Some of the most requested events include: hiking, road biking, mountain biking, camping, backpacking, canoeing, kayaking, horseback riding, spelunking, orienteering, golf, and social gatherings of all types. Everyone is capable of organizing an event that is

something they are familiar with or have an interest in.

It isn't a requirement to organize an event to be a member, but it definitely will help you to give back to the club, what the club gives you. Should you be interested in putting together an event, the best way to get started is to come up with an idea you think that we'd have a couple of people interested in, and read through the Organizer Information page of the Member Area of the web site.

Some upcoming events that our members are leading, include:

Biking the Baltimore-Annapolis Trail on Saturday, May 31st

Hitting the Chesapeake Bay's "Western Shore" Beach - North Beach on Sunday, June 1st

Attending a Game of Baseball as the Bowie Baysox Take on the New Haven Ravens on Thursday, June 26

Kayaking in Gunpowder Falls State Park on Saturday, June 28

## News You Can Use

### Go to May's Sunday Cinema FREE

Out of all of the sign ups that we have for May's Sunday Cinemas event come 5 PM on May 13, one winner will be randomly selected out of a drawing at our May Social Hour to attend the movie for free. (They will receive a refund of their payment). The winner must be present at the Sunday Cinema event in May to claim their free ticket, but not the night of Social Hour.

Note that this event was our previous Tuesday Night Movies event, but it has changed dates and times - and will feature a meal beforehand so you can meet the other members prior to catching the flick.

### In Town on Memorial Day?

The MOC invites you to our Memorial Day Picnic at Great Falls National Park in Virginia (just over the Maryland border). Everyone showing up will be required to bring an item from our list for the potluck. There is also a National Park car entrance fee. Other than that, there is no MOC fee to attend.

### Events with Payment Required to Attend

Please note the MOC's new policy: If we do not receive your payment for the events you register (with a cost associated) within 5 business days, your name will be removed off the attendance list, with or without notice, for someone else to take. Our events are growing more popular, and we are unable to allow members to squat in spaces without payment.

### Raffle Tickets

MOC raffle tickets will begin appearing at events in mid-May. They'll be at all upcoming events until the supply runs out. Just approach an officer to find out where you can get yours. They are \$2 each, with profits going towards the club's ongoing administrative costs. The first prize is \$250, second is \$50, and third is an MOC T-shirt. Winners will be randomly selected at a future Social Hour drawing.

### Time to Vote on Your Favorite Dog Photo

The entries are in for our dog photo contest. Now, it's time for our members to cast their vote on their favorite digital dog photo. The results will be tallied on June 1st, and the photographer will win a brand new copy of "The Dog Lover's Companion to Washington D.C. & Baltimore: The Inside Scoop on Where to Take Your Dog" book. To vote, simply log into the member area and click the link for "Dog Photo Contest."

Saturday, April 5th, MOC bikers head towards old train tunnel on the Capital Crescent trail between Bethesda and Georgetown. Saturday, April 12th, MOC hikers take a break on a rock at Long Green Creek at Gunpowder Falls State Park.

## Learn About a Park

Learn about a National State Park in Maryland:

This Month: **Assateague Island National Seashore**

Storm tossed seas, as well as gentle breezes shape Assateague Island. This barrier island is a tale of constant movement and change.

Bands of wild horses freely roam amongst plants and native animals that have adapted to a life of sand, salt and wind. Special thickened leaves and odd shapes reveal the plant world's successful struggle here. Ghost crabs buried in the cool beach sand and tree swallows plucking bayberries on their southward migration offer glimpses of the animal world's connection to Assateague.

Human struggles are intertwined with this island at the ocean's edge. Gallant surf rescues by the US Life-Saving Service and dashed dreams of a summer beach resort are but a few of the stories told here.

Marine and terrestrial life functioning in concert offer a closer look at a natural and cultural world shaped by forces larger than our own.

## Mother's Day is in May

Instead of getting your mother the same old stuff for Mother's Day this year, you should bring her along for a stroll to and on the beach at Calvert Cliffs State Park in Maryland, on May 11th. This easy 3.6 mile walk is perfect for just about anyone. Pair that with an incredible sight, the ability to hunt for fossils that are 12 to 24 million years old, and show off your new friends/club - and you've got a great low-cost gift for your mom on Mother's Day.

## Tip of the Month

Many MOC events usually happen in the Baltimore, Washington, DC, and central Maryland vicinity. When we have an event that happens at a distance from the general member geographic location, we typically put a carpool up on the web site for people to rideshare to the events. However, the carpool is usually set at a location that is between the Organizer's home and the event location - so that they can show up and hand out directions and make sure everything is squared away. Not always does this location benefit all of our event attendees, because everyone is coming in from so many different locations. An easy way to create an additional "informal" carpool from your home area, is to view a particular event's RSVP List in the Member Area of the site, to see who also might be going from your area. Then, contact those people about a carpool. Most of our members are pretty receptive to the idea and who knows, you might make a new friend in the process!
